Pride in the Past Committed to the Future

Dear Parents,

March 8, 2016

Our Lady of Perpetual Help School is changing the application process for Tuition Assistance for the 2016-2017 School Year. There are two types of tuition assistance available to families at our school:

- 1. Our Faith, Our Family, Our Future (OFOFOF), which is a Diocesan based assistance program. It is available to all families who have children enrolled in schools within the Diocese of Fresno**
- 2. OLPH Tuition Assistance, which is for families who attend here.**

Previously, families had to apply separately for each. That is no longer the case. Each family will need to apply only once. The Diocese will use the application to assess OFOFOF distributions and the data will be available to Father Robert and me to fairly distribute the Tuition Assistance funds available to OLPH families.

We (along with the Diocese of Fresno) are partnering with the FACTS Management Company to gather the financial information necessary. All families must apply for Tuition Assistance either online or by submitting a paper application which is available at the school office. There is a cost of \$24.00 for the online application and \$25.00 for the paper application.

IMPORTANT INFORMATION

- 1. ALL FAMILIES MUST APPLY FOR TUITION ASSISTANCE THROUGH THE FACTS MANAGEMENT SYSTEM**
- 2. THE WEBSITE TO REGISTER IS: <https://factsmgt.com/>**
- 3. ALL APPLICATIONS MUST BE COMPLETE TO BE CONSIDERED**
